## 2015 County Activity

### ***2015 Washington State Salmon Run Activate a County***

If you're going to activate a county in the 2015 Salmon Run, please let a WDXC officer know, or email *salmonrun (at-sign) wwdxc (dot) org* the information, and we'll add it to the list! The "Activate a County List" is a way to inform hams around the world participating in the Salmon Run who to look for in the different Washington counties – and to let those of us who go out with mobile stations know which counties may not be covered. **There is no requirement to operate specific bands or modes, and there is no exclusive "reservation."** For [K7TQ's](#) and [N7WA's](#) times in each county, click on the each call.

[WW7D/m](#) submitted his plans to late to list below, but clicking on his call will take you to his web page showing times and counties that he will activate.
