

CONVENTION PRIZES

You must write your call on all tickets. If a ticket with no call is drawn for the Registration or Grand prizes, you will be given a “going once, going twice, gone” chance to match the number with your ticket before redrawing for the prize.

REGISTRATION PRIZE

Each convention registration receives one ticket (different color) for this prize (an Elecraft K2). This is a separate prize from the Raffle/Grand prizes and **NO** additional tickets can be purchased for this prize. You need not be present to win.

RAFFLE PRIZES

Each convention registration receives one Raffle ticket good for daily prizes and Grand prizes. An extra Raffle ticket is awarded if the registration is received on or before **10 July 2007**. You can purchase extra Raffle tickets for these prizes – look for Mike W7NP and Greg WA7AVL and their team of ticket sellers throughout the convention. Raffle tickets cost \$1 or 11 tickets for \$10.

Raffle prizes will be drawn on Saturday at **10 AM, 1 PM, 2 PM** and **4 PM**. Prize winners will be posted at a location outside the EVERGREEN BALLROOM #1.

Raffle winners from Saturdays drawing may claim their prize any time before the Sunday morning breakfast.

You must be present to win a Raffle prize with the exception of the Registration and Grand prizes. Prizes that are unclaimed prior to Sunday morning breakfast will be re-drawn/awarded.

All winning Raffle tickets will be returned to the ticket pool prior to the grand prize drawing on both Saturday evening and Sunday morning.
