Rules and Application Procedure

One QSO must be made **from** all 39 Washington counties during any Salmon Run contest sponsored by the Western Washington DX Club, beginning in 1991. QSOs must be on a mode valid for Salmon Run credit during that year's contest. Contacts made while using the WWDXC club call (either W7FR or W7DX) are acceptable, as are QSOs made as part of a club or multi-operator team. If more than one call was used, show both the used and worked calls as shown in the example, otherwise only the worked call is required.

Mail the application to: WWDXC, PO Box 395, Mercer Island WA 98040 or email to salmonrun@wwdxc.org
