WACYA Award - Washington All County ActivationThe WACYA (Washington All County Activation) award, pronounced "whack ya" is given to any station that submits proof of having made a Salmon Run QSO from all 39 Washington counties. The QSOs can be on any mode valid for Salmon Run credit and can be from any Salmon Run contest sponsored by the WWDXC, beginning in 1991. Contacts made while using the WWDXC club call (either W7FR or W7DX) are acceptable, as are QSOs made as part of a club or multi-operator team. Those achieving the award will have their call signs recorded on the WWDXC Salmon Run Web page and will also receive a handsome certificate. [Click Here for the WACYA Application Form](#)
