WWDXC Email reflector and Web site
Email Reflector
The WWDXC has a group on yahoo
<http://groups.yahoo.com/group/wwdxc/>. To join the group (and more importantly, the email reflector) - click on the big blue "Join This Group" button on the right hand side of the page.
The WWDXC mailing list (wwdxc@yahoogroups.com) is a place where DX news is exchanged, for sale and wanted items are announced, technical questions are asked (and solved) and many more radio related topics are discussed..
Website
Articles and other 'reference' type information, as well as information on club meetings, are usually found on the web site that you are currently viewing.. If you'd like to provide content for the website, please send email to the N9ADG (www.n9adg.com).
