

2017 County Activity

2017 Washington State Salmon Run Activate a County

If you're going to activate a county in the 2017 Salmon Run, please let a WDXC officer know, or email *salmonrun (at-sign) wwdxc (dot) org* the information, and we'll add it to the list! The "Activate a County List" is a way to inform hams around the world participating in the Salmon Run who to look for in the different Washington counties – and to let those of us who go out with mobile stations know which counties may not be covered. **There is no requirement to operate specific bands or modes, and there is no exclusive "reservation."**

K7TQ will operate from 20 counties.
